

FIND YOUR FIT.

A4 PALM MEASURING TOOL

1. Print on A4 at 100% / Actual size. Turn off Fit to page.
2. Check the 50mm square below with a ruler before measuring.
3. Measure straight across your palm, excluding your thumb.

CHECK PRINT SCALE

Not correct? Reprint at 100%.

PALM WIDTH RULER

Align one edge of your palm with 0. Read the opposite edge.

My palm width: _____ **cm**

Use with the verified Paxsport chart. This sheet does not assign a glove size.

Hand illustration is schematic. Measure width; do not match your hand to the drawing.
